

Brojo Hill b&b, located in the beautiful Colli Berici hills area, few miles from Vicenza, it's the ideal place to taste the atmosphere of our wonderful province.

Paolo and Zandra will be glad to host you in their property at the feet of a hilly woods, where you will be able enjoy your stay in a intimate chalet with bathroom, shower and air conditioning, all under a signature eco friendly Austrian fir wooden roof.

Outside, a large garden is to be found along with a swimming pool to enjoy the sun or the relax of a good book, all framed by a scenic view of the plane below and the distant medieval Castle of Montagnana, built in 1176 the view extends far to Euganei hills, another great treat of the Padana plain area.

Background music to your taste can also be requested to create atmosphere for your relaxing summer nights.

Private parking, barbecue, deckchairs, beach umbrellas and a large outdoors area where to jog or walk are also part of the facilities offered by Brojo Hill b&b.
